7 - 9 p.m. - Presentation

JUNG  
FORUM  
ASSOCIATION OF EDMONTON

What are those forces...

... that lead some to wild, unpredictable behaviour or even acts of cruelty while others to acts of kindness and compassion?

... that propel some to walk away from a life as if split in two directions while others to engage in a life with a sense of wholeness?

What is the unconscious? How does the unconscious live in us, through us, and around us? Why should we care?

Come join us for a stimulating panel presentation and discussion on the topic: **SYMBOLS and the UNCONSCIOUS!**

**I-Ching:** Divining the Unconscious (*Jim Chalmers, M.A., R.Psych.*)

**Sandplay:** Accessing the Unconscious (*Sylvia Peske, MEd, R.Psych.*)

**Religion:** Is the unconscious a source or medium for religion?  
(*Claude Ouimet*)

**The Unconscious:** Noun, Adjective, Verb?  
(*John Hoedl, M.A., Jungian Analyst*)
