The Jung Forum Association of Edmonton is pleased to present this year's Charity Movie - "WINDS OF HEAVEN: Emily Carr, Carvers and the Spirit of the Forrest." Winds of Heaven is a ninety-minute filmic journey into the deep brooding mystery and inner beauty of Emily Carr's paintings - a lyrical, luminescent and entertaining impression of the life of Carr and her connection to the First Nations people of the Northwest Coast of BC.

Friday, December 7, 2012
